Today you will embark on a full day's excursion to the ancient Mayan Ruins of Xunantunich and the Barton Creek Caves.

Accompanied by your guide you will explore Xunantunich, located just inside Belize's Western border with Guatemala. Enjoy panoramic views of Western Belize from the top of El Castillo, the tallest remaining structure at Xunantunich.

From here you will travel to the Barton Creek Cave where you will explore Xibalba, Mayan for "underworld." Enjoy the dazzling crystalline formations as your glide through the cave in your canoe before returning to your hotel or lodge in San Ignacio.

DAY 3: SAN IGNACIO

After breakfast you will visit the Mayan archaeological site of Caracol and the Mountain Pine Ridge Forest Reserve.

At Caracol you will explore the ancient ruins accompanied by your guide who will provide depth and insight into the world of the Maya. Caracol, which rivals Guatemala's Tikal in size, also provides spectacular panoramic views of the empire that once was.

From Caracol you will continue to the Mountain Pine Ridge Forest Reserve where you will visit, among others, the Rio Frio Cave and the Rio Frio Pools.

DAY 4: SAN IGNACIO - AMBERGRIS

Your days are at leisure to enjoy the beach and your hotel amenities. Optional snorkeling and scuba diving tours are also available for those interested. We strongly recommend diving The Blue Hole and the Great Belize Reef.
